LINCOLN COUNTY—CONTINUED.

The first meeting of the Board of County Commissioners as a Board of Equalization was held on the 16th of September, 1867, at which meeting were present Charles Wilson and Henry Raymond, Commissioners; George Ernst, Assessor; W. H. Clipperton, District Attorney, and U. E. Allen, Recorder. After transacting the business usually devolving on such a Board, an adjournment was had till next day.

The Board met on the 17th, and after transacting its regular business, and as on the day previous, adding to several assessments made by the Assessor, adjourned till next day.

On the 18th no business was transacted and the Board adjourned to the following day.

On the 19th, 20th, 21st and 22d there was no business transacted.

At the meeting on the 23d, those present on the 16th were in attendance. Charles Wilson was elected Chairman of the Board. On motion of Charles A. Leake, attorney for the Crescent Silver Mining Co., the assessment of said company for 1867 was reduced to \$1,500. On motion of Wm. Fleming, Superintendent of the Alameda S. M. Co., its assessment was reduced to \$4,000.

No business was done at the meeting on the 24th, nor on the 26th, 27th or 28th.

The Board of Commissioners met at Hiko on the 7th of October, 1867, when and where Charles Wilson, Henry Raymond and W. H. Clipperton, District Attorney, were present. John D. Gorin was allowed \$85 for his services as Clerk of the Board. Wm. H. Raymond was allowed \$40 for services for the Clerk and Recorder, payable out of the General Fund. W. H. Clipperton was allowed \$78 as salary as District Attorney from the 27th of May to the 30th of June. McCutchen and Addington were allowed \$30 for conveying an insane lady from Hiko to Belmont, and J. W. Free was allowed \$30 for the care of this unfortunate lady. [This is the first insane case of which we have any official notice.] U. E. Allen was allowed \$500 salary as Auditor and \$8.80 for stationery.

At the meeting on the 8th Sheriff Matthews was allowed \$38.40 as fees. At the same meeting it was resolved by the Board that thereafter no accounts or demands against the county of Lincoln would be received or entertained unless the same were duly authenticated and accompanied by the necessary vouchers. The statement of the Auditor and Treasurer of the county's financial condition was received and approved. Thos. Lane was appointed Constable for Hiko Township.

The Commissioners met as a Board of Equalization on the 14th of October, 1867, and acted upon the assessments of property.

At the meeting on the 20th, the Commissioners allowed U. E. Allen \$15 for extending the tax roll. Other sums were allowed different officers for their services.

The first building engaged for county purposes was leased pursuant to the following order passed by the Board on the 20th of October, 1867, viz:

"Whereas, the Board of County Commissioners have this day leased the building known as Butler & Pearson's saloon, together with the small room adjoining the same on the southwest corner, situated on lots Nos. 7 and 8, in block No. 17, in the town of Hiko, Lincoln county, Nevada, to be occupied for

county purposes; therefore, the District Attorney is hereby instructed to prepare a lease of said premises, executed by P. D. Butler and R. C. Pearson to said county for six months from this date, in consideration of the sum of \$60 per month, payable by said county quarterly in advance."

At the meeting on the 9th of December Charles R. Hoppin tendered his resignation as County Treasurer, to take effect January 1, 1868. He was allowed \$161.25 as salary and \$35 for assessing property after closing the assessment roll and for candles furnished his office.

We close the second chapter of the early history of Lincoln county with the names of the first Grand Jury, summoned for the December Term, 1867 (Lincoln county being then in the 9th Judicial District) viz:

Jas. Fitzpatrick, Jas. Harrow, N. H. Carlow, G. N. Hinkle, S. W. Craft, M. Wilson, L. A. Johnson, Wm. Vermouth, Peter McLaughlin, E. M. Cook, Frank Hulen, Julius Hoffman, B. C. Pearson, W. D. W. Nesbit, N. W. Geer, Ed. Burke, Robt. Keyes, Sr., J. F. Woodman, Wm. Ritter.

AROUND THE WORLD.—Soon after the retirement of Hon. Wm. H. Seward from the head of the State Department, at the close of Andrew Johnson's Presidential term, he took a trip around the world, going west across the American continent from New York to San Francisco; thence across the broad Pacific to Asia, and thence to Europe, visiting in his journey the crowned heads of many countries and all the noted localities in the wide world. Crossing the Atlantic, he reached his starting point. After retiring from the State Department, he never re-entered public life, but lived in retirement, devoting the remainder of his eventful life to literary pursuits, the greatest of his efforts being the account of his travels around the world, which he was spared to complete. Mr. Seward was a ripe scholar, and a close observer of men and things; his position in his own country insured his admission to the highest circles in every land he visited. He therefore had every opportunity to obtain correct and reliable data, and those acquainted with his past history need not be reminded that his work is a complete and interesting history of the many scenes witnessed by him in his travels. John Ennis ("Peanuts") is the agent in this place for the sale of this work. Sold by subscription. The engravings, representing the places, people, scenes and customs, of all the countries visited by the eminent traveler, of which there will be nearly 300, including sixty full-page illustrations, and an accurate portrait on steel, have cost the publisher about \$15,000.

SHOOTING SCRAPE.—Yesterday morning the monotony was broken by a shooting scrape near the corner of Main and Meadow Valley streets, which, we may as well state at the outset, was closed without any serious result. George A. Davis was holding forth as usual near his general auctioneer stamping ground, when two men came along, one of whom made remarks of a jeering nature, to which Davis took exception. The man passed into Ward's saloon, and one of them peeped through the partly closed door, as if to annoy Davis. Davis went inside, and remained there while the other two drank. They went off, but soon one of them returned and began to abuse Davis, who thereupon drew his pistol, but before he could bring it to bear for proper execution, the other caught his arm, and so the two shots failed to do any execution—one entering the door step and the other striking elsewhere. Officer Boyd arrested Davis and took him before Justice Stoutenburgh, who admitted him to bail in the sum of \$1,000 for his appearance this morning. Davis gave the required bail, and was set at liberty.

MR. AND MRS. BATES will open the new dramatic season in Pioche, supported by Miss Adams, who for a considerable period held the position of leading lady at the Salt Lake Theater. Mr. John Lindsay, an excellent actor, will appear here at the same time. Mr. Dunn, the comedian, is also engaged, and others of recognized ability. Mr. Maguire is endeavoring to secure the best available talent for Pioche. When this company appears, we can have the pleasure of witnessing here, dramatic performances, so far as acting goes, second to none on the whole Pacific Coast, as the above named ladies and gentlemen have held the most prominent positions in all the leading Theaters. The box office will be open two days before the first night of performance, of which the public will be duly notified. The new management is going right to work, and we trust such enterprise will be crowned with success.

HORSE DISEASE.—We learn from a gentleman who came in by Hamilton stage yesterday that there were at Tom Plane's ranch about 15 horses suffering from the horse disease. No cases, however, had been heard of as far out from Hamilton as Patterson's Station. We have not heard of a case on the Salt Lake route.

TEAMS ARRIVING.—Yesterday Main street presented an animated appearance; caused by the arrival of several teams loaded with goods for the merchants of Pioche. We noticed one ox-team of seven yokes, which reminded us that the owner of it was determined to make a "stand off" with the horse disease.

J. CON. OREN, ex-champion of middle weights in America, arrived in Pioche on Wednesday from Salt Lake. Mr. Oren purposes giving an exhibition of the many art of self-defense on Saturday evening. For particulars, see bills of the day.

RAFFLE.—Mrs. Lovell's raffle will take place on Thursday, Feb. 6th, at her residence, on Meadow Valley street. There are some very valuable prizes, and every one should have a ticket, and take the chances of winning.

TO ARRIVE TO-DAY.—The following passengers left Hamilton yesterday for Pioche, who will arrive to-day's stage: Rev. J. P. Egbert and Mrs. Sanford Hall.

DANCE LAST NIGHT.—There was a good attendance at Mrs. Grambs' party last night. All had a delightful time.

A WARNING.—People cannot be too careful about fire. A little carelessness might result in a disastrous conflagration and possible loss of life. Our attention has been called to one house in particular where too great an amount of carelessness is practiced. No wrong may be intended, yet the results of a defective stovepipe, or a candle left in a dangerous position, would be as disastrous as if the deed had been done with deliberation. We have now one of the most prosperous camps in the State, with every indication favorable to a career of unexampled prosperity; our mines promise a high degree of development in the future; and the possibility of a destructive fire fills us with dread and horror. Then, let everyone, not only for his or her own sake, but in the common interest, exercise the greatest care with their stovepipes, in the disposition of ashes, etc. We run risk enough in consequence of the incendiaries who are supposed to be in our midst; then let not an indifference to the general welfare prevent proper care in this important matter.

PERSONAL.—T. H. Supple, Esq., late of the White Pine News, called at our office last evening. He goes hence to Salt Lake as a votary of "the art preservative."

ADELIA G. AKIN, at home, Saturday evening, January 25th, and will be pleased to have her friends—"the boys and girls"—join her in a hop.

JESSE BEENE, having purchased J. Rosenthal's stock of fancy goods, fine pictures, clocks, etc., offers them at cost to clear up for his full stock of drugs and fancy goods which are now en route from New York. Mr. Beene's motto will be quick sales and small profits, and will open his new place at the present office of Monsieur Cavillier, stock broker.

DESIRABLE BUSINESS FOR SALE.—Owing to my continued bad health I offer for sale the entire property known as the Pioneer Soda and Cider Works. For particulars call at the Soda Factory or address T. C. Garvey, Pioche.

At Burrage's Drug Store, Main street, directly opposite Lacour street, is the largest and best assortment of pure drugs and patent medicines; also perfumery, fancy goods, paints, oils, turpentine, lamp chimneys, etc.

The purest and freshest drugs and medicines are to be had at Burrage's Drug Store, Main street, directly opposite Lacour street.

CUTTING & Co's California Canned Fruits, Jellies and Jams are far superior to all other brands. For sale by all first-class grocers.

The public will please take notice that I have no peddler connected with my auction store.

SAN FRANCISCO BEING THE FINANCIAL center of the Pacific Slope, and where capitalists are always to be found for the purchase of Mines and Real Estate, the undersigned has this day associated with himself in business, under the firm name of GEORGE P. IHRIE & CO., Mining and Real Estate Agents of long experience, for the purpose of conducting a Mining Record Office and Real Estate Agency in this city where parties having mines and real estate for sale can have the same recorded for the inspection of capitalists.

WE DO NOT UNDERTAKE, NOR WILL WE PASS OPINIONS, upon the value of Mining property recorded and offered for sale at our office—our sole object, in this regard, being to CONCENTRATE IN SAN FRANCISCO useful and valuable information concerning the Mines and Mining interests of the Pacific Slope, and to facilitate the investigations of capitalists and parties interested.

Particular attention will be given to Real Estate matters, connected to our care, and also to obtaining United States Patents to mining claims.

Stocks bought and sold on commission. CIRCULARS stating terms, sent by mail, on application.
